**STATEMENT IN SUPPORT OF
PETITION TO MAKE SPECIAL (INFRINGEMENT)**

37 CFR § 1.102 (d)

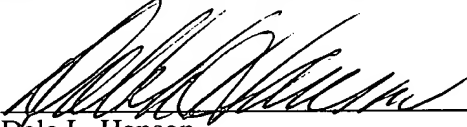

Applicant hereby petitions the Office to make the above-referenced United States Patent Application special, as follows:

1. There is an infringing device or product actually on the market. In particular, an infringing product is actually being marketed by ITM4, P.O. Box 5, Buffalo, MN 55313.

2. A rigid comparison of the alleged infringing product with the claims of the application has been made. In the opinion of Applicant's patent counsel, Briggs & Morgan, PA, some of the claims are unquestionably infringed.

3. I have a good knowledge of the pertinent prior art. The references most closely related to the subject matter encompasses by the claims are already of record.
